Flood Preparedness

This is "Flood Preparedness Week" in San Joaquin County. As storm season approaches, be sure to sign up for emergency alerts at www.SjReady.org. The County Office of Emergency Services has tips and checklists to help. Make a Plan, Build a Go Kit, and Stay Informed to stay safe and flood aware.

District Funding for Youth Programs

I had a great time visiting the afterschool program at Lockeford Elementary School this week, which is run by the YMCA of San Joaquin County. I recently allocated some of my Supervisorial district funds to purchase "Chalk Wild" backpacks for the afterschool programs. You can learn more about Chalk Wild and how art helps students at: <https://chalkwild.com>. As a proud father and grandfather, I know we have to build a stronger and better San Joaquin County for future generations, and I am committed to programs that do that.
