CTOS-Center for Radiological/Nuclear Training

Response to a Radiological Dispersal Device (RDD) – Overview and Implementation of the First 100 Minutes Guidance (PER-348)

Hosted By: San Joaquin OA Healthcare Coalition

Location: San Joaquin County Agricultural Center
2101 E. Earhart Ave. Stockton, CA

Date and Time: Tuesday February 4, 2025 / 0800-1700

Continuing Education and Cost:

This course is offered at no cost to participants. Upon the successful completion, participants will receive a course completion certificate for 7 hours of EMS Continuing Education and/or BRN Contact hours. Provider is approved by the California Board of Registered Nursing, Provider Number 1028 for 7 contact hours. CA EMS CE provided by San Joaquin General Hospital CEP# 39-0020.

Course Description:

This course is designed for public safety personnel and first responders: Fire, Law, Haz Mat, EMS (Paramedics, EMTs, EMRs), Healthcare (MDs, Nurses), and Search & Rescue; who, in the course of their duties may participate in radiological/nuclear emergency response.

The course provides an introduction to operations in a radiological/nuclear environment during incidents involving radiological Weapons of Mass Destruction (WMD). The curriculum includes detailed information on the radiological and nuclear threats facing our Nation, fundamentals of radiation, an introduction to radiological detection and survey instruments, protective measures that may be employed by first responders, personal protective equipment and decontamination. As part of the training, Participants will engage in drills designed to enhance their ability to perform the basic tasks required to safely and effectively execute their duties in a radiological WMD response mission.
